SHARE YOUR IDEAS WITH THE STIC

The **State Transportation Innovation Council (STIC)** brings together PennDOT, the Federal Highway Administration, the PA Turnpike and industry partners to foster ownership and pride in establishing a process in which ideas, innovative techniques and processes can be evaluated and implemented quickly and proficiently to enhance sustainability, streamline project delivery, and improve safety for the traveling public.

Do you know of a proven innovation we should be considering? If so, we want to hear about it!

Please provide information below.

What is the innovation and where is it being used now?

_____

_____

_____

_____

How will this innovation benefit the traveling public?

_____

_____

_____

_____

Do you want to be part of a team of enthusiastic volunteers whose purpose is to bring the best transportation products and processes to Pennsylvania? Are you ready to bring ideas to the table or use your expertise to review other innovations? We would love to hear from you and discuss how you can get involved with our Technical Advisory Groups (TAG).
