

Professional Development Webinar

Webinar Title: STIC Innovations – MS4 Updates
Date: Tuesday, March 20, 2018
Time: 12:00 PM – 1:00 PM ET
Credits: One (1) PDH will be awarded for participation.

This presentation conducted by PennDOTs Bureau of Maintenance & Operations will provide: an overview of PennDOTs proposed MS4 permit as it relates to TMDL, sediment reductions, and Pollutant Reduction Plan goals and costs, include a review of an MS4 guide policy on what stormwater control measures and locations count toward MS4 sediment reductions, and an update on Pilot projects and potential procurement mechanisms as well as municipal partnering.

The webinar will be presented by **Daryl St. Clair, PE**, Special Assistant Deputy Secretary for Highway Administration and **Rich Heineman**, Stormwater Section Chief in the Bureau of Maintenance and Operations for PennDOT.

Information about the webinar, including registration directions, PDHs, and payment options, can be found on the ASHE, Harrisburg [website](#).
