

### President's Message:

With the Holidays upon us and the spirit of the Holidays in the air, I thought it appropriate to share one of my favorite poems to celebrate the season. I know everyone knows this long time standard, having read it so many times when we were young and dreaming of the big day. So, enjoy, revisit that dream from years' past, and, on behalf of your ASHE Harrisburg Officers and Board Members, have a very Merry Christmas, Happy Hanukkah and a wonderful New Year.

### 'Twas the Night Before Christmas

'Twas the night before Christmas, when all through the house  
Not a creature was stirring, not even a mouse;  
The stockings were hung by the chimney with care,  
In hopes that St. Nicholas soon would be there;

The children were nestled all snug in their beds,  
While visions of sugar-plums danced in their heads;  
And mamma in her 'kerchief, and I in my cap,  
Had just settled down for a long winter's nap,

When out on the lawn there arose such a clatter,  
I sprang from the bed to see what was the matter.  
Away to the window I flew like a flash,  
Tore open the shutters and threw up the sash.

The moon on the breast of the new-fallen snow  
Gave the lustre of mid-day to objects below,  
When, what to my wondering eyes should appear,  
But a miniature sleigh, and eight tiny reindeer,

With a little old driver, so lively and quick,  
I knew in a moment it must be St. Nick.  
More rapid than eagles his coursers they came,  
And he whistled, and shouted, and called them by name;

"Now, DASHER! now, DANCER! now, PRANCER and VIXEN!  
On, COMET! on CUPID! on, DONNER and BLITZEN!  
To the top of the porch! to the top of the wall!  
Now dash away! dash away! dash away all!"

As dry leaves that before the wild hurricane fly,  
When they meet with an obstacle, mount to the sky,  
So up to the house-top the coursers they flew,  
With the sleigh full of toys, and St. Nicholas too.

And then, in a twinkling, I heard on the roof  
The prancing and pawing of each little hoof.  
As I drew in my hand, and was turning around,  
Down the chimney St. Nicholas came with a bound.

He was dressed all in fur, from his head to his foot,  
And his clothes were all tarnished with ashes and soot;  
A bundle of toys he had flung on his back,  
And he looked like a peddler just opening his pack.

His eyes -- how they twinkled! his dimples how merry!  
His cheeks were like roses, his nose like a cherry!  
His droll little mouth was drawn up like a bow,  
And the beard of his chin was as white as the snow;

The stump of a pipe he held tight in his teeth,  
And the smoke it encircled his head like a wreath;  
He had a broad face and a little round belly,  
That shook, when he laughed like a bowlful of jelly.

He was chubby and plump, a right jolly old elf,  
And I laughed when I saw him, in spite of myself;  
A wink of his eye and a twist of his head,  
Soon gave me to know I had nothing to dread;

He spoke not a word, but went straight to his work,  
And filled all the stockings; then turned with a jerk,  
And laying his finger aside of his nose,  
And giving a nod, up the chimney he rose;

He sprang to his sleigh, to his team gave a whistle,  
And away they all flew like the down of a thistle.  
But I heard him exclaim, ere he drove out of sight,

**"HAPPY CHRISTMAS TO ALL, AND TO ALL A GOOD-NIGHT!"**

As most of you know, ASHE is an organization that is run by folks who volunteer their time. However, the reward for volunteering is tremendous.

#### *When you volunteer your time you:*

- Become a transportation industry advocate
- Participate in committees that are on the leading edge of industry initiatives and technology
- Develop a better understanding of the engineering business
- Create life-long relationships and friends

For these reasons, we ask all members to consider volunteering to participate in an ASHE committee. You do not have to be an Officer or on the Board of Directors to make a difference. If you are interested in helping out, our committees are listed to the left along with a contact. Please feel free to reach out to any committee that sounds interesting, or contact Paul McNamee, ASHE President, and he will help hook you up with a committee in need of volunteer support.

### Thank you for considering getting involved!

## Charity of the Month - Uplifting Athletes

### TOGETHER WE ARE STRONGER.

One out of 12 Americans will be diagnosed with a rare disease. Too often, little can be done to help since each disease affects fewer than 200,000 Americans. Fortunately, college football players have realized that they are in a position to make a difference. Uplifting Athletes works with college football players to raise rare diseases as a national priority. Players gain valuable job skills by engaging their teammates and leading their university chapter to benefit a rare disease they are passionate about. Penn State Football Uplifting Athletes appreciates the generosity of business donors. It is through these mutually beneficial relationships in addition to the kindness of many individual donors that Uplifting Athletes has been able to inspire those Americans suffering from a medically underserved diseases such as kidney cancer with courage, spirit and hope.

## **FUTURE CITY COMPETITION UPDATE AND HOW YOU CAN HELP**

The Central Pennsylvania Future City Competition will be held on January 21, 2017 at the State Museum in Harrisburg. In the competition, students work with a teacher and engineering mentor as they create cities of tomorrow using SimCity software; build a large, 3-D tabletop model of recycled materials; write an essay; and create an oral presentation. More than 30,000 students from 1,100 schools participated in Future City last year. This year's topic is: Public Spaces. We will once again send the winner of our competition to Washington, D.C. to compete nationally.

Here's how you can help:

**ENGINEERS:** You can help out during the Competition by being a Judge.

**COMPANIES:** Companies can help with monetary donations or donations of prizes and small gifts for the students. All help is appreciated.

**EVERYONE:** Want to help, but not sure if you have the time available? Be a Volunteer the day of the competition! Volunteers will help keep things running smoothly the day of the Competition, including set-up, sign-in, and distribution of itineraries, lunch, and breakdown.

For more information on judging, sponsorship or volunteer opportunities contact Steve Roman at [sroman@wbcm.com](mailto:sroman@wbcm.com).
