

A Maintenance Perspective

Sheila Hromadik, E.I.T., CBSI

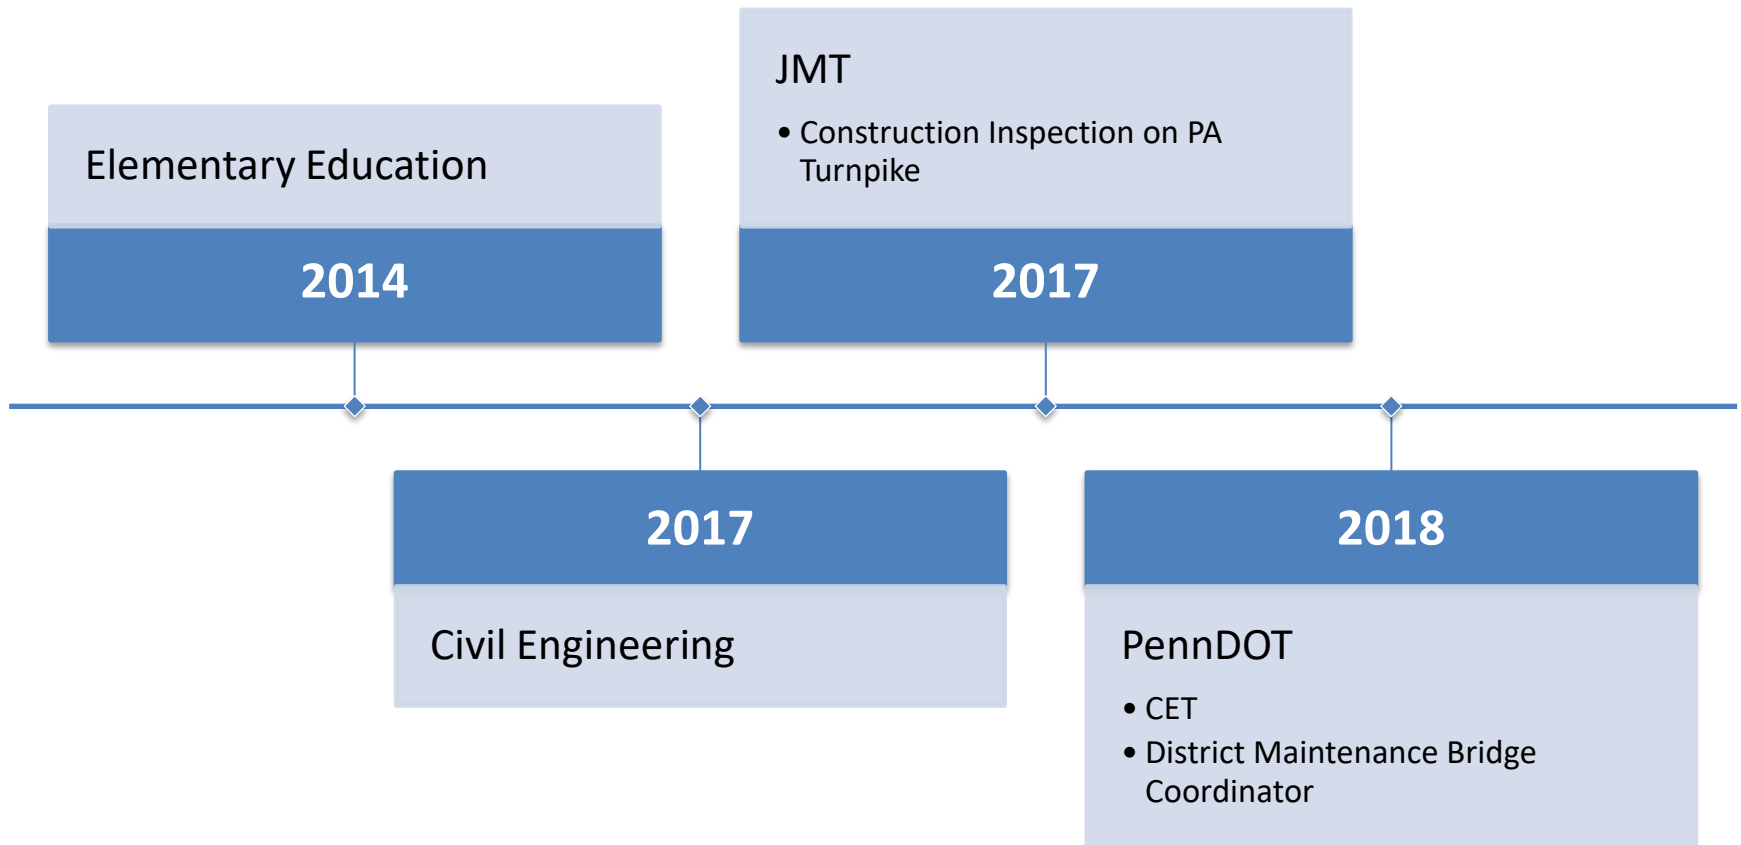

Goals

To give you a perspective of Maintenance through our eyes.

About Me

District Maintenance Bridge Coordinator

- Bridge Unit Inspectors / Consultant Inspectors
- Priority Repair Needs
- Coordination between District and County Maintenance
- Repair plans and permitting
- Overseeing construction repairs

District 8 Bridge Statistics

	Total	Poor	%Poor
Adams	380	29	7.6%

Dauphin	449	30	6.7%
Franklin	325	29	8.9%
Lancaster	728	74	10.2%
Lebanon	227	14	6.2%
Perry	275	37	13.5%
York	658	57	8.7%
TOTALS	3418	292	8.5%

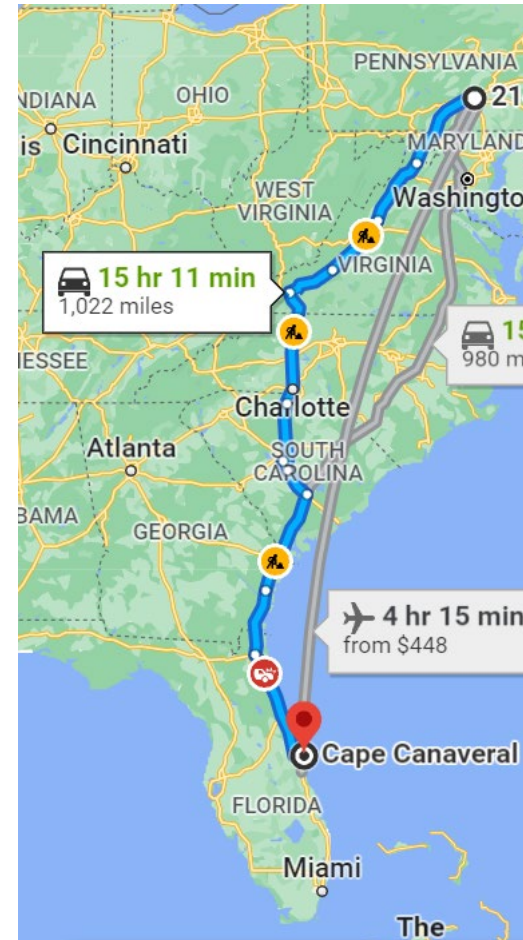

District 8 <8' Bridge Statistics

County	Number in County
Adams	200
Cumberland	131
Dauphin	253
Franklin	220
Lancaster	328
Lebanon	179
Perry	229
York	403
District	1943

District 8 STAMPP Statistic

There are 71,770 pipes in District 8 for a total of 5,442,634 lineal feet. That equals 1,031 miles or from the District Office to Cape Canaveral, Florida if laid end to end.

What about the rest of Maintenance?

- District Maintenance
 - Asset Maintenance Section
 - STAMPP, Stormwater, Structures
 - Hauling Permits Section
 - Environmental Section
 - Equipment Section
 - Facilities
 - Municipal Services
 - Operational Maintenance (Line Painting)
 - Plant Maintenance (Budgeting)
 - Safety
 - Traffic Safety
 - Traffic Engineering & Operations (Signals & TMC)

What about the rest of Maintenance?

- County Maintenance
 - County Maintenance Manager
 - Assistant Maintenance Managers
 - Roadway Programs Coordinator (RPC)
 - Mechanics
 - Foremen
 - Operators

How does this relate to Design?

- Design > Construction > Maintenance
- Everything comes back to Maintenance
 - Bridges
 - Roadway
 - Stormwater Control Measures
 - Everything in between

Friendly Reminder

- Reach out and expand your network!
 - Field Views
 - Constructability Reviews
 - Pre-Construction Meetings
 - Finals

- When you have options for different designs

We appreciate you!

It may be the end for you, but its only the beginning for us.
