Highlights

- Welcome increase at Federal level (\$0.184/gallon since 1993)
- Will address a portion of our unmet funding needs
- Matching state funds (typically 20%)
- Identify state funds to leverage new Federal funds
- Capital Budget needed to ensure future projects can move forward
- Covers FFY '22-'26 Transportation Improvement Program (TIP)

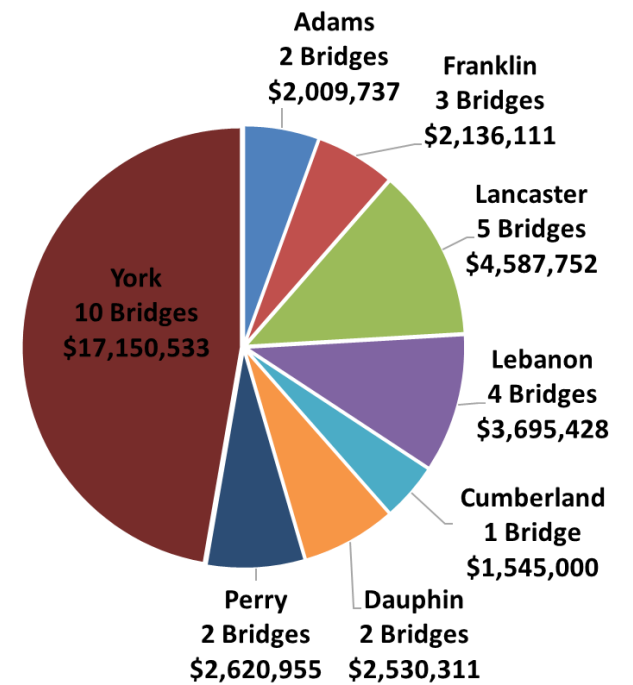

DISTRICT ASSET MANAGEMENT, PROJECT DELIVERY, AND FUTURE PLANS

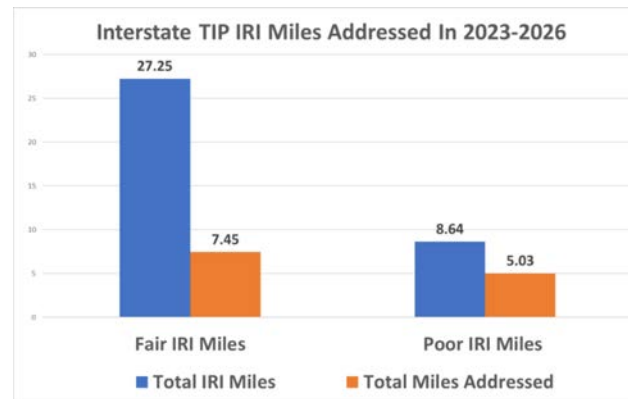

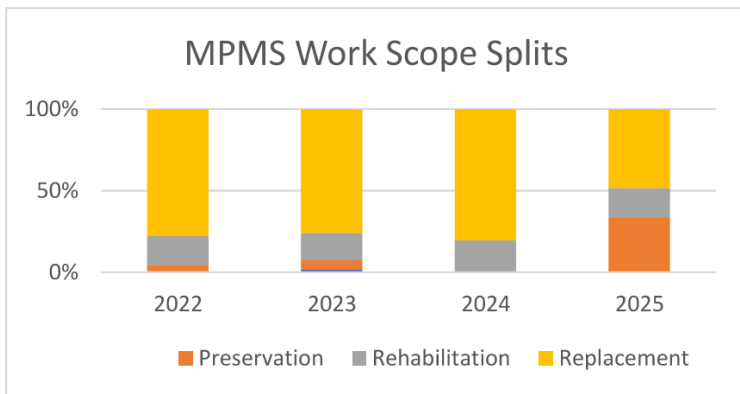

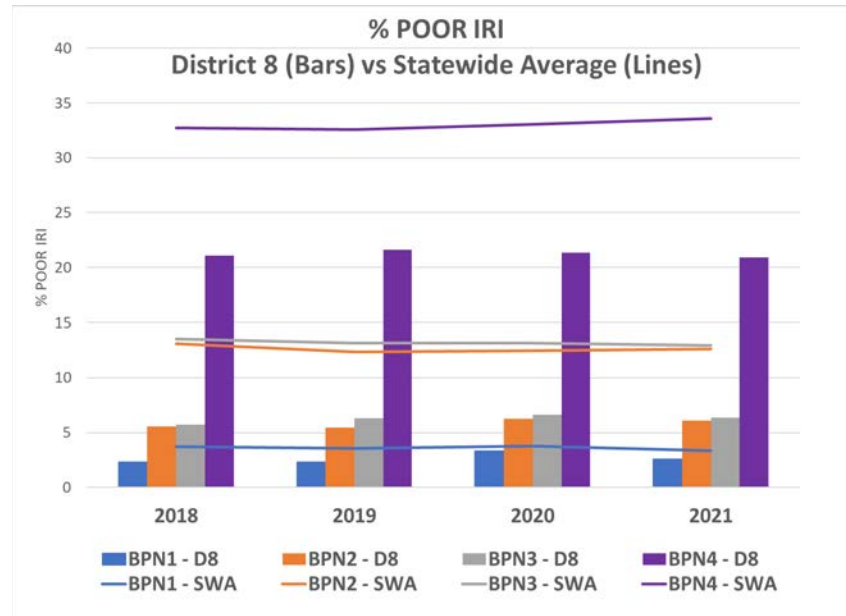

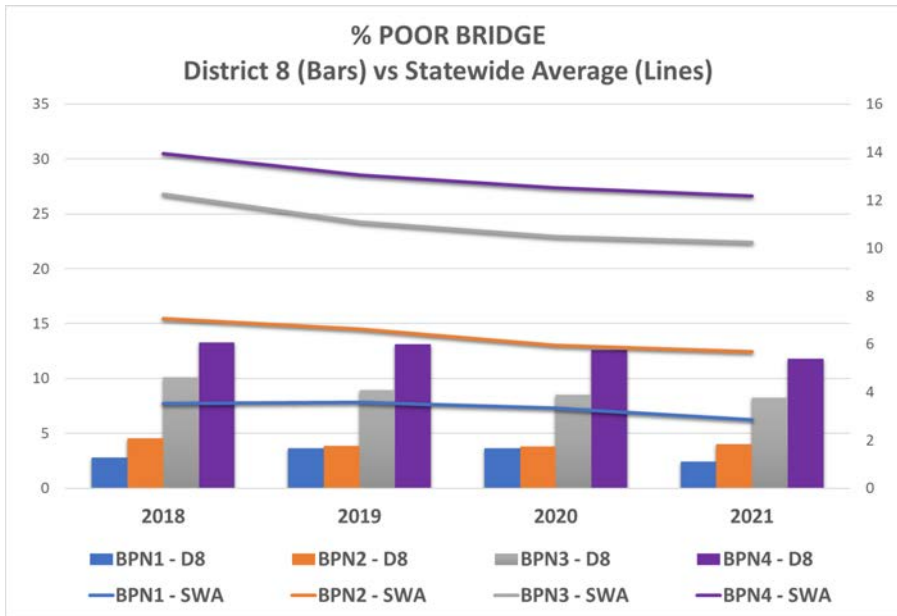

AVERAGE YEARLY FUNDING LEVEL BY MPO (\$M)

Local Bridges on 2023 TIP

DISTRICT ASSET MANAGEMENT, PROJECT DELIVERY, AND FUTURE PLANS

ORGANIZATIONAL SMART PRACTICES, LEAN AND INNOVATIVE IDEAS

- Void Reducing Asphalt Membrane (VRAM)
 - Polymer modified asphalt material installed under asphalt longitudinal joints of asphalt pavement to reduce voids
- Foamed Glass Aggregate (FGA)
 - Lightweight aggregate used to mitigate settlement
- SR 30-Lancaster: Contraflow Gates

Contraflow Gates

Foamed Glass Aggregate

VRAM

Remote Dynamic Pile Analysis

ORGANIZATIONAL SMART PRACTICES, LEAN AND INNOVATIVE IDEAS

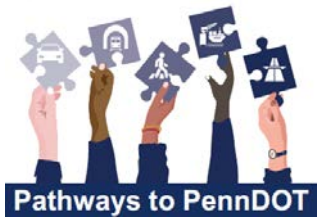

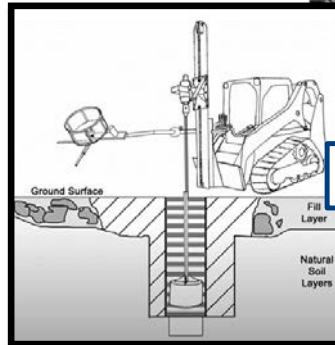

ENGINEERING AND CONSTRUCTION MANAGEMENT SYSTEM

- **Leverage ECMS**
 - Batched Planned Projects
 - ROW Demo Contracts Let in ECMS
- **Utilize Technology**
 - Mobile Lidar
 - Paleo digger
- **Use More Consultant Support**
 - Conditional Assessment SCM Inspection
 - Consultant Project Managers / Reviews
- **Support Dept Initiatives**
 - Drainage Digital Delivery Pilot
 - Mentor Protégé Program

Paleo Digger

THANK YOU!
