THE PRESIDENT'S MESSAGE

"The most important single ingredient in the formula of success is knowing how to get along with people." - Theodore Roosevelt

Dear ASHE Harrisburg Members:

I hope this message finds you well as we enter the 2023-2024 ASHE Calendar. It's an honor to serve as your President this year, and I want to take a moment to recognize the Officers, Directors and Volunteer Members dedicating their time to plan and prepare our events; manage the scholarship program; connect with students at local universities; publish our announcements, newsletters and websites; and help administer Section business. This simply cannot be done without those people willing to serve ASHE and our Section. Thank you very much.

On August 4th, our section held the Annual Golf Outing to raise funds for the scholarship program. Yet, this year was a little different – this was the 25th Anniversary Golf Outing for our section and we raised record level funds through our sponsors, golfers and the new silent auction used to push us over the top. I want to personally thank Doug George for his unwavering dedication in running the Golf Outing and thank you to all the volunteers on Doug's team that make this event successful every year. The Golf Outing was followed up a few weeks later August 18th with the Summer Picnic joint event with ASCE and WTS. This year's picnic had a venue change from Lower Allen Park to Lisburn Fire Company and the change was received well with more space for all picnic activities, food and fun. Thank you to Steve Ginter for leading the organizing committee and other volunteers to plan, cook and deliver another successful picnic event.

President's Message continued on next page

Susquehanna Civil Inc.
Wallace Montgomery and Associates, LLP

Events coming up, we have our annual Networking/Social event at the Federal Taphouse in Harrisburg on September 21st; registration is open, and I look forward to seeing everyone there. October we will have our semi-annual Adopt-A-Highway fall cleanup and a technical luncheon located at the Susquehanna Club – Look for more details coming soon on both events in October. The remainder of the events calendar will fill up with our PennDOT presentations, the PA Turnpike, Annual ASHE/PennDOT/PTC Conference and our Annual Banquet at the end of the year. WTS will be hosting their second STEAM event in November at the Farm Show complex; I personally will be volunteering to be a part of this event to introduce a new generation to the transportation industry and support careers in our field. Lastly, we will be trying two new events this year: I have asked Brian Pinamonti, Mark Lemon and Jeff Griffiths to create a Bowling Event in March plus we will organize a service project at the Central Pennsylvania Food Bank in May.

One challenge I have for our membership this year – bring one new younger member/application with you to every event this year. ASHE is an incredible way to connect with colleagues within our industry and build lifelong relationships regardless of which side of the table we sit on. Connecting young, talented people to seasoned veterans brings forth mentoring possibilities and pass knowledge down to the next generations. Plus, building a group of younger member peers together is beneficial to our industry as they will be tackling the problems facing transportation in the future. Establishing these relationships now will pave the way for critical thinking, creativity, collaboration and communication.

Thank you,

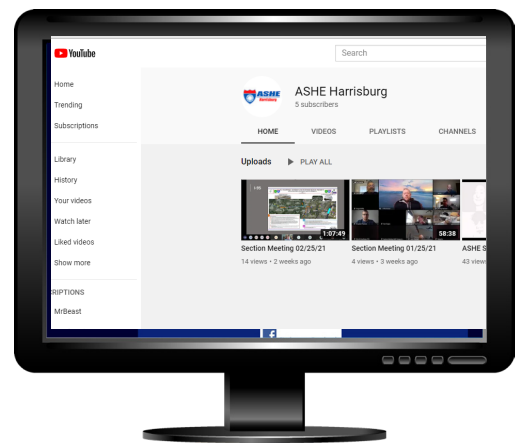

Alan

VOLUNTEER FOR COMMITTEE MEMBERS

As most of you know, ASHE is an organization that is run by folks who volunteer their time. However, the reward for volunteering is tremendous.

When you volunteer your time you:

- Become a transportation industry advocate
- Participate in committees that are on the leading edge of industry initiatives and technology
- Develop a better understanding of the engineering business
- Create life-long relationships and friends

For these reasons, we ask all members to consider volunteering to participate in an ASHE committee. You do not have to be an Officer or on the Board of Directors to make a difference. If you are interested in helping out, our committees are listed to the left along with a contact. Please feel free to reach out to any committee that sounds interesting, or contact Brad Heigel, ASHE President, and he will help hook you up with a committee in need of volunteer support.

Thank you for considering getting involved!

In Remembrance of Quentin Rissler

Quentin David Rissler, 53, of East Earl, passed away on Tuesday, September 5, 2023 at Johns Hopkins Hospital in Baltimore, following an illness of three and half months.

For the past 14 years, Quentin has worked as a Program Manager for the Larson Design Group. Quentin was a distinguished engineer and mentor for the design community. For over three decades he has been published, given numerous industry presentations and has been relied upon to deliver unique engineering projects. He was a 1988 graduate of Garden Spot High School and received a Degree in Civil Engineering from Worcester Polytechnic Institute in 1992.

Quentin was a long time member of the Harrisburg ASHE section and was a regular at the events. He will be greatly missed.

To send an online condolence to the family, visit www.groffeckenroth.com. In lieu of flowers, contributions may be given to Elanco Release Time - Blue Ball and made out to Gehman Accounting Attn: Blue Ball Released Time, 180 Diller Avenue, New Holland, PA 17557
